# RUSTIC DEER DESIGNS

**LOCAL, HANDMADE AND  
GORGEOUS!**

We are such a huge fan of all the gorgeous handmade scrunchies and earrings from Jodie at Rustic Deer Designs. This lady is extremely talented and her line is perfect to complete any outfit. The scrunchies and button earrings are always topped up with fresh colours and fabrics in a wide range of prints and textures to suit everyone.

Scrunchies are a great option to help stop damage to your hair when tied up as well as adding that pop of colour, no wonder they are so popular right now.
